### Biography

Raffaella Menchetti (1987) is a multidisciplinary artist, performer, director and multimedia artist. Her artistic work is developed among different media: theater, dance, films, installation. She has performed and exhibits internationally in festivals, museums and galleries such as Piero Manzoni studio in Milano, Reina Sofia Museum of Contemporary Art in Madrid MPECV presentation (Master in Performing Practice and Visual Culture), Mom gallery in Budapest, Altofest International Live Arts Fest in Naples, MAC Museum of Contemporary Arts Conde Duque Madrid, Nanhay Gallery in Taiwan among others. Raffaella's research focuses on the topic of gender studies and manipulation in relation to technological languages in multidisciplinary projects. She has works transversally combining political art and philosophy. The performances, videos and workshops she creates are generative environments where creating new collective rituals and using art as an engine of transformation. Raffaella recently graduated from the Master's Degree in Theater and Choreography at University luav di Venezia, where she has worked as a tutor for the past two years.
